

# Become a Member of Chicago Ratna Shri Sangha!

Chicago Ratna Shri is a member-supported 501(c)3 religious organization operating under the blessing and guidance of our Spiritual Director Drupon Rinchen Dorjee Rinpoche. Our Center's mission includes bringing qualified and authentic teachers to Chicago, and supporting local teaching and practice activities.

Membership contributions are used to support day-to-day operations, including expenses for Drupon Rinchen Dorjee when he is in residence in Chicago. Some of these expenses include rent and utilities for the Center and insurance. In addition, contributions are used towards airfare for Lamas and translators, as well as translation fees, legal fees, venue-related costs and other expenses.

The greatest priority for CRSS is to make the Drikung Kagyu teachings available, in the manner in which Drupon Rinchen Dorjee envisions, for the greater Chicago area.

The most important benefit of membership is the sustaining of Chicago Ratna Shri and the presence of our spiritual director, Drupon Rinchen Dorjee. CRSS provides a community for the cultivation of unity, spiritual growth, and generosity. Membership helps support the intent of the Center, the growth of the Dharma in the Drikung Kagyu lineage, and the work of Drupon Rinchen Dorjee. Support is not only of great merit personally, but will benefit the greater community in teaching and encouraging dharma practice.
